Hey Charles,

I have been told to inform you that the Form 1023 will be disclosed after the organization receives its determination letter from the IRS.

Thanks!  
Shana

Hi, Shana --

Thanks much.

I'm glad to see that they've altered their website to remove the erroneous claim that they're 501(c)(3) and replace it with a note that their nonprofit status is pending.

However, a nonprofit is still required to present its form 1023 and any 990s that have been filed for public inspection, even when a determination letter is pending. So, again, I'd like Mr. O'Keefe to send me copies as required.

Thanks again!

Cheers,  
Charles

Hi, Shana --

So does this mean that Project Veritas is not 501(c)3 as stated on the website?

Cheers,  
Charles
