To whom it may concern,

As Project Veritas is a 501(c)(3) organization, federal regulations require that it make available copies of the project's IRS forms 1023, 990, and 990-T. Accordingly, this is a written request for copies of the most recent versions of these documents.

Electronic copies are fine; please feel free to send them to this e-mail account.

If you need to send printed copies, you can send them to:

Charles Seife
20 Cooper Sq.
#628
New York, NY 10003

If these documents are posted on the internet, please send me a link to where I might find them.

As per 26 CFR Sec. 6104(d), it is incumbent upon you to fulfil this request within 30 days.

Thank you very much!
